QUORUM ESTABLISHED? Yes

- I. Mayor gave the board an explanation to how to read/interpret the income activity in LOCIS that was compiled in the report provided by Ms. Fitch. This will help with understanding the numbers when comparing it to the appropriations budget report. This should help the board this year as compared to last year, when we line item by line item. Trustee Jackson asked since we're not doing by line item, are there any significant changes being made to the budget? Mayor said he will create an actual/budgeted/proposal chart so the board can compare it to the ordinance, so the budget can be passed. Will have another meeting to finalize things.
- II. Citizens Comments:
Ms. Williams-Are there items on the appropriations that haven't been utilized?
