

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

Introduction

The Mayor and Board of Trustees for Village of Robbins are soliciting Statements of Interest and Qualifications from qualified firms to provide comprehensive Design Build Services, as per (50 ILCS 510/) Local Government Professional Services Selection Act.

The services of the selected Design Build Firm shall consist of the planning, design, budgeting, cost analysis, renovations, construction documentation, and all construction management phases of the project for the renovations of the existing Village Hall located at 3327 West 137th Street

This RFQ is not an Invitation for Bid: responses will be evaluated on the basis of the relative merits of the Qualifications. There will be no public opening and reading of responses received by the Public Entity pursuant to this request.

RFQ Submission

RFQ's are due by **November 6th 2023 at 12:00 p.m.** local time. Timely delivery is at the risk of the Respondent. Any submittals received after the deadline will be rejected.

Please submit: Village Clerk
(7) seven bound copies; and (1) digital copy USB Drive to:

Sharon S. Dyson
Village Clerk
Village of Robbins
3327 West 137th Street
Robbins, IL 60472
(708) 385-8940 ext. 111
sdyson@robbins-il.com

Qualifications must be enclosed in a sealed envelope (or other sealed container); the package must clearly show the phrase **"Request for Qualifications –**

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

Design Build Services for Village of Robbins Village Hall 1-Million Dollar Renovation Project” and the Respondent's name.

To best serve the Public Entity, only firms (the proposed office to work with the Public Entity) within 30 miles of the Public Entity office (by Google Maps) should submit their statement of interest and qualifications.

Submittals should be prepared as standard 8-1/2 x 11 letter size, and shall be limited to 12 pages, exclusive of required attachments. Adherence to the maximum page criterion is critical; each page side with criteria information will be counted toward the maximum number of pages. Front and back covers, table of contents pages, and tabbed divider pages will not be counted if they do not contain submittal information.

Schedule

The following is the proposed schedule for the selection of firms to provide Design Build services:

Week of November 6th – Interviews with firms

November 10, 2023 – Committee recommends firm for Board Approval

November 14, 2023 – Proposed Board action on firm to provide Services

Respondents' Inquiries and Addenda

Any questions or concerns regarding this RFP shall be directed in writing to:

Gerald Stewart

Village Project Manager

Village of Robbins

3327 West 137th Street

gstewart@robbins-il.com

(708) 470-9882

Any responses to questions, or changes in this RFQ, shall be issued in writing as an addendum. Respondents must acknowledge addenda received as part of their submissions.

Oral and other interpretations or clarification will be without legal effect.

Public Entity Background

Village Hall Government building which houses various departments and is the community hub which is responsible for managing the day-to-day Village assets and is a vehicle where residents conduct business.

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

General Information, Notifications, and Purpose

- a) Respondents are advised to review all sections of this RFQ carefully, and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the submittal. Qualifications which depart from or materially alter the terms, requirements, or scope of work defined by this Request will be rejected as being nonresponsive.
- b) Joint venture and/or cooperative professional teams will be considered.
- c) The inclusion of subconsultants (e.g.: Mechanical, Electrical, Plumbing, Structural, etc.) will be required to be included in the submittal. Such subconsultants anticipated to be included in the project team must also be identified and submit their specific qualifications in the submittal.

General Terms and Conditions

- a) All costs associated with developing or submitting a qualifications statement in response to this Request, or to provide oral or written clarification of its content shall be borne by the respondent. The Public Entity assumes no responsibility for these costs. This RFQ does not commit the Public Entity to pay any costs incurred in preparation or submission of a response or in anticipation of a contract.
- b) This RFQ does not commit the Public Entity to enter into a contract. The Public Entity reserves the right to award one, more than one, or no contract(s) in response to this RFQ. The Public Entity reserves the right to waive informalities and irregularities in the submissions of qualifications received. The Public Entity also reserves the right to terminate this RFQ, and reissue a subsequent solicitation, and/or remedy technical errors in the RFQ process.
- c) The Contract, if awarded, will be awarded to the Respondent(s) whose submittal(s) is deemed most advantageous to the Public Entity, as determined by the selection committee, upon approval of the Public Entity Board of Trustees.
- d) The Public Entity reserves the right to contact any Respondent for clarification, interviews or to negotiate if such is deemed desirable by the Public Entity.
- e) The purpose of this Request for Qualifications is to identify an experienced Design Build Services firm with the best combination of qualifications.
- f) Requests for site visits and introductory meetings will be allowed.
- g) All Proposers are prohibited from making any contact with the Public Entity Personnel, Board of Trustees, or Village Administrator or any other administrator or employee of the Public Entity with regard to the RFQ, other than in the manner and to the person(s) designated herein. The Village Project Manager reserves the right to disqualify any Proposer found to have contacted the people listed above in any manner with regard to the RFQ.

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

- h) If awarded, the selected firm must meet any other additional standards and requirements of grant issue projects administered by the State of Illinois.

General Description of Scope of Services

- a) The selected Design Build will become part of a project team consisting of members of the Public Entity and community stakeholders and to perform services as required.
- b) The Design Team may be requested to:
- a. Attend meetings with Public Entity administrative staff as necessary.
 - b. Attend Public Entity Board of Trustees meetings as necessary.
 - c. Develop preliminary drafts of the Project Program for Public Entity review and comment.
 - d. Consult with Public Entity on budgetary and funding matters.
 - e. Consult with the Public Entity on Project scheduling considerations. Consult with the Public Entity on general concepts of the Project scope of work and Project needs.
- c) The firm's services and product provided shall conform to the Illinois State Municipal Code and be in accordance with all federal, state and local laws, codes, ordinances, and regulations.

Proposal Content

Statement of Interest –

Provide a signed statement of qualifications with the name and address of the respondent, expressing interest and capability to perform the work.

Firm Description – Provide the following:

- Firm Name, address, web address, telephone and fax numbers
- Contact person (provide direct phone number and e-mail)
- Number of years in business under current name
- Confirm distance from the office to be working on the project to the Public Entity office is under the specified distance
- Type of organization
- Disciplines offered in-house
- Special areas of practice
- Staffing information (number of architects, interior designers, engineers, etc.)
- List any previous names of firm and years of business under each name
- In the case of a multiple office firm, provide general information on the firm (locations, staffing, etc.) but also provide detailed information on the office that will be serving the Public Entity (key personnel, project experience, etc.). The office designated to serve the Public Entity, in the

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

Qualifications submission, must be the office to perform the work in the event that the project is awarded to that firm.

- The short-listed firms may be requested to provide a copy of the firm's financial statement. Provide a copy of the firm's certificate of insurance indicating the levels of professional liability and general liability insurance coverage carried by the firm. Minimum coverage to be as follows:

General Liability \$1,000,000/\$2,000,000
Automotive Liability \$1,000,000
Professional Liability \$1,000,000/\$1,000,000
Worker's Compensation Statutory Limits

- List any litigation, arbitration and alternative dispute resolution within the last 5 years, arising out of any design work for any Public Entity; and whether still pending, or if concluded, the final result. If so, please provide an explanation.
- List if your firm (under current or previous names) has been terminated within the last 5 years from a project by a Public Entity and, if so, for what reason. If so, list the name and contact information for the Public Entity.

Firm Experience and Capabilities –

- Provide a list of all Public Entity clients for which you have provided services for in the last ten years. Include project description (whether the project involved planning, new construction, additions or renovations), the type of design build, architectural, engineering, other services and delivery method that you provided, as well as the client contact information.
- Please highlight your experience in performing work such as building renovations or new construction projects.
- Samples of work that demonstrate experience in building renovations or environments are required.
- Firms should also demonstrate expertise in maximizing construction budgets, experience in the design of general building spaces as well as the design of *types of specialties spaces required in the project such as specialty spaces, such as Village Halls, Office Spaces, Office Building etc.*
- If your submittal includes affiliated firms or multi-disciplinary departments (e.g., mechanical, electrical or structural engineering), please identify them and provide similar information for them as outlined below.

Firm Workload -

- Provide a list of all projects for which your firm is currently under contract as an design build firm.
- Provide the percentage that building renovations or new construction projects made up of your total project workload in the last twelve months.

Key Personnel & Experience –

**REQUEST FOR QUALIFICATIONS
DESIGN BUILD SERVICES
VILLAGE OF ROBBINS**

- Provide a simple organizational chart identifying key members of the firm, including consultants.
- Provide resumes of project designers, managers, key staff and consultants relevant to the requirements of this RFQ, including their work experience, education, affiliations and awards. Resumes should not include project pictures or general firm information. Particular reference should be made to the firm's construction administration/observation personnel.
- If any staffing changes should occur between the submission of qualifications and the award of a contract, the Design Build Firm must notify the Public Entity in writing. Unapproved staffing changes may result in a rejection of qualifications.

Project Approach –

Provide a brief discussion of the following:

- The methodology that your firm would use in conducting the project from inception to Owner acceptance. This should include strategies for collaboration, communication and community building. If your methodology utilizes any specialized software packages and computerized systems, please provide an adequate description and summary of capabilities.
- The firm's ability / experience to work in the south burbs of Illinois. In your response, describe how your firm plans to respond when the Public Entity has immediate needs that require on-site attention.
- Your approach to project scheduling and cost estimating within the environment of the Municipal sector.
- The process your firm utilizes to investigate bidders to insure that they are qualified and equipped to satisfactorily complete a project.

References –

- Provide a minimum of (3) three references for design build services performed on building facilities in Illinois in the last (5) five years total. Cost of projects should be at least a minimum of \$1M each.
