B. Approval of Flock Safety Cameras for a 60-day trial period.

To answer the question of what is the 30- day payment after receipt of invoice; it is a full one- time payment of \$22,000 due after 60- day trial period, that automatically begins on the 60th day. Flock safety is a company that offers cameras that specialize in license plate readers. A hot list was created, and the data can be shared throughout different municipalities. Posen has reached out to see where we will place cameras to ensure that all areas shared can be strategically placed. Flock has suggested to share cost with Kellar School, there is a grant Safe Route to School that can help offset cost for the purchase of the cameras. Proposal is for eight cameras and the data is what is purchased, suggest a close monitor of cameras to see effectiveness 15-day, 30-day and 45-day analysis. Trustee Jackson motioned to approve the 60-day trial period seconded by Trustee Collier.
