- I. Founding partner Burt Odelson introduced himself, since there are several new board members. Gave background on his firm and their relationship with the village since coming to the village in 1983. They have worked with the village through some turbulent times. There was a brief time that the village used a different law firm before returning to Odelson & Sterk. His firm is the city attorneys for over 25 municipalities. Attorney Felicia Frazier introduced herself, she is a managing partner, with over 20 years of experience. She handles labor contracts also. She explained the relationship most firms have with municipalities as far as chain of command when handling requests for the municipality. They are both ready to work with the village to help it move forward.
